

## **The Perfect Mojito from Rachel Maddow**

Select a sturdy glass.  
Cut a lime in to eight wedges and put into glass.  
Add 6 fresh mint leaves and 2-3 tsp. sugar.  
Muddle! A lot!  
Fill the glass with crushed ice.  
Add 2 oz. white rum, preferably unaged  
Barbancourt white rum from Haiti.  
Stir, stir, stir, and then stir some more, so that  
the ice melts and waters the drink.  
Add a splash of seltzer.  
Garnish with plenty of fresh mint sprigs.
